Pergola

STYLE GUIDE

Your Great Outdoor Room

LANCASTER
BARNS

We use the latest modern woodworking machinery, and by doing so enable our craftsmen to produce consistent pergola kits. The kits are easy to assemble and can transform your outdoor space into a private oasis. In addition to the structures we pride ourselves with excellent service and customer care. We encourage family values and community involvement. Our goal is to establish long term relationships and to be responsive to the changing needs of our customers. We strive to be prompt, enthusiastic, and professional while doing our job right the first time.

Bring the enhancement...

of a pergola to your home or landscape. Pergolas are growing in popularity. They were once known in ancient Egypt, Greece, and Rome and were also a common feature of early Renaissance gardens in Italy and subsequently throughout Europe.

Rediscover...

how the quality time spent with family and friends, can turn moments into lasting memories.

Designed for you...

and built with your lifestyle in mind, our quality pergolas are handcrafted with the finest materials and attention to detail. These add grace, style, comfort and architectural character to your outdoor living area, whether on your patio or even next to your pool.

Enjoy The Moment...

as you browse through this catalog and choose the style and options that you desire, to complement and complete your outdoor oasis.

| royal blue tweed | linen tweed | hemlock tweed | charcoal tweed | dubonnett tweed |

Other Sunbrella Fabrics
(available for an additional fee)

Consider adding the EZShade Canopy System to your new or existing pergola. This manually controlled canopy glides effortlessly across the triple track system to provide you with a shaded space. Made from stainless steel fasteners, aluminum beams and Sunbrella fabric, it will shield you from the hot mid-day sun or mild rain. The system is designed specifically to enhance the outdoor experience so you can enjoy the moment.
